"AIN'T IT THE TRUTH"

This is the story of four people named Everybody, Somebody, Anybody, and Nobody. There was an important job to be done and Everybody could have done it, but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought Anybody could do it, but Nobody realized that Everybody wouldn't do it. Consequently it wound up that Nobody told Anybody, so Everybody blamed Somebody.

The October meeting was called to order by President Gary Eckert at 8:12pm. Roll call showed 14 sr. & 1 jr. member present. Secretaries report was read & accepted. Treasurers report was read & accepted. The Association report was given by Al Mortensen & Lon Sauter. The Symposium will be held for 1 day on Feb. 4, 1983 with a rain date of Feb. 11th. The raffle prizes will be as follows: 1st- \$300, 2nd- \$50, & 3rd- \$50. The STARS club will take care of the dealer booths & static display. We have to think of what theme our club booth is going to be; should decide by next meeting. Gary Brown is still working on the ditches. Lon Sauter is looking into leveling the field & finding out how much it will cost. Lon Sauter got the prices on the name tags. Silk-screening will cost \$12.50, blank tags \$1.50 & putting name on each \$1.75. We have to order at least 70 tags & it will take 2 weeks. Members decided on red for the tag color. Members decided to have a work detail out to the field after November 1st, when the leaves are gone. Will put the calling list into effect. Nominating committee for setting up slate of officers for 1984 was formed. Four new members were voted in: Wayne Engel, Oliver Griffith, Phil Morgan, & Dan Williams. Meeting was adjourned at 8:50pm.

Carol Eckert

New club member Dan Williams cart-wheeled his 15-500 & cracked his wing...Dan found out that that's not the way to practice going around the pylons...flying is much easier & safer for the plane. See you at the races!

Idle Chatter

SUNDAY OCTOBER 16TH WAS A BUSY DAY AT THE STARS FIELD. MOST OF THE TIME YOU WERE WAITING FOR SOME AIRSPACE OR THE FREQUENCY PIN...THERE WERE THREE PLANES IN THE AIR AT ALL TIMES. Al Mortensen WAS OUT WITH HIS T28B, WHILE Gwynn Skelton WAS FLYING AROUND HIS OLD CHAMP. Mike Graham HAD HIS HB40 TUNED PIPED EQUIPED HEADMASTER UP, BUT Lisle Snow DECIDED THAT IT WAS TOO CROWDED AT THE FIELD & WENT HOME. Bob Rowe & FRIEND WERE BUDDY BOX FLYING; Val & Perry Valleriani WERE TAKING TURNS FLYING THEIR KADET. Ray Plaisted BROUGHT OUT HIS KAOS, BUT RUMOR HAS IT THAT THE KAOS LIKES WARMER WEATHER...OR IS THAT RAY?

Stan "ALPHABET" Staniszewski HAD HIS NEW PUMP ON HIS RCM TRAINER'S ENGINE...SMOOOOTH! Billy Anderson's NEW RED & BLACK KADET WAS GIVEN IT'S 1ST FCF BY Lon Sauter, WHO WAS AT THE FIELD WITH HIS PULSER BIPE. BY THE WAY, YOUNG BILLY IS COMING ALONG GREAT WITH HIS FLYING. NEW MODELERS Wayne & Kurt Engel HAD THEIR KADET MARK I READY FOR FLIGHT....THAT'S A LOT OF ACTIVITY FOR ONE DAY!

The Big Event

CONGRATULATIONS TO CHERYL AND DON BELFORT ON THE ARRIVAL OF A NEW LITTLE BELFORT...DAVID. DAVID LANDED OCTOBER 17TH AND WEIGHED IN AT 6LB 14OZ.

CENTRAL NEW YORK MODEL AIRCRAFT ASSOC.

September 29, 1983

A special Symposium planning meeting of the CNYMAA was called to order at 7:40 P.M. at Walt's Hobby Shop by Pres. Lon Sauter.

Member Club Representatives present were: George Marsh (ARCS); Roy Catholdi & Ed Zobel (Elbridge); Bill Cummings (Midstate); George Beers & Guy Cusenz (OVM); Bob Elkovitch & Larry Abraham (AFLRCC); Jim Saiff & Greg Uhlig (OMAC); Al Mortensen & Lon Sauter (STARS) and Glenn Cady.

Guests were Gary Barrow, Dave Mathewson, Larry Apps and Walt Throne.

The Association picnic scheduled for Sunday, October 2, 1983 is all planned, with an anticipated attendance of about seventy (70) people.

SYMPOSIUM

Walt Throne reported cost of rental of N.Y.S. Fairgrounds' Art and Home Center for one (1) day is \$800.00 plus, and double this for (2) two days.

Tentative symposium date is Saturday, February 4, 1984.
(Alternate day, Saturday, February 11, 1984).

Committee for soliciting items for prizes is Bill Cummings and Roy Catholdi.

The only Clubs without an assignment are AFLRCC, Midstate, Thousand Islands and Utica.

Concession Stand: Walt will check with Florence (employee at State Fair Grounds) about running stand.

Banquet: George Marsh (ARCS) will chair this event.

Clean Up: Still pending.

Raffle: After much discussion, Bill Cummings' motion and Roy Catholdi's second, it was voted to raffle three (3) prizes:

First Prize = \$300.00
Second Prize = 50.00
Third Prize = 50.00

- 2 -

Motion passed by a 9 - 4 majority. Two thousand (2,000) tickets will be printed, and selling price is \$1.00 per ticket. Guy Cusenz is in charge.

It was suggested that club members be asked what topics and speakers they would like to hear.

A credit voucher for seventy-five (\$75.00) dollars was received from the AMA for film returned deposit refund.

Club members should also be asked to suggest a top limit as to how much should be spent on the Symposium.

Next regular meeting, Thursday, October 20, 1983, 7:30 P.M. at Walt's Hobby Shop.

Meeting adjourned 8:50 P.M.

Respectfully submitted,

Glenn A Cady

AMA DISTRICT II AVP REPORT

Lon J. Sauter 2062 Rabbit Lane, Phoenix, New York 13135
phone: (315) 695-2448

Our Central New York Model Aircraft Association will be holding its 1984 Model Airplane Show and Symposium on Saturday February 4th, 1984. I'd like to say a few words about the Symposium and the importance of each and every modelers involvement to its success. As President of the CNYMAA, and as a modeler who basically enjoys this sport for the building and flying of it, I am exposed to the many perspectives of our fellow modelers. We have the socialites, who never do anything except talk about it. We have the lifers, who do it all...sport, scale, big airplanes, peanut airplanes, helicopters, you name it. We have the Sunday flyer, who enjoys an escape from the daily pressures of life by going to the field and flying his usually relatively simple but functional aircraft. I feel our annual Symposium fills the bill in satisfying all types of modelers interests. The only problem that we have with the Symposium is getting enough people with enough interest to work at the many tasks of organizing and implementing this event. **WE NEED YOUR HELP!** This year every club in the Association has volunteered to chair a committee that handles one or more of the essential aspects of the Symposium. Did I say every club? Well, almost every club. I understand that due to distances, time constraints, and possibly monetary limitations, some clubs can not participate as much as they would like. If you happen to be in one of those clubs, and enjoy reaping the benefits of our annual event, perhaps you should go to your club officers and try and get your club involved. Your Association and your Symposium are only as good as you want them to be. I say again, **WE NEED YOUR HELP.** If you want to get involved, please call me, and I assure you that your energies and talents will be put to good use.

I'd like to thank all of those modelers who are presently working very hard to make this years Symposium the most successful of all.

PLEASE NOTE! THE CLUB IS PROCURING NAME TAGS FOR ITS MEMBERS. BELOW IS HOW YOUR NAME WILL BE PRINTED, UNLESS YOU CONTACT ME (Marge Sauter 695-2448) AND TELL ME OTHERWISE.

As I start this article, I do not know if I should again bring up the subject of safety. When I wrote about it the last time, it seemed to bring out bad luck at the field. I hope that it won't happen this time, but I feel I have to write about it. There have been a few close calls out at the field in the pit area about which I feel we should talk. We have had some crashes in the pit area when a pilot was taking off his airplane.

I'd like to suggest that everyone in the pit area should keep their eyes on any plane taking off, to make sure that it has taken off safely. You should also pay attention when a plane is landing. Accidents do happen, but we would like to try and stay one step ahead of having any serious injuries. I hope everyone will heed this suggestion; any other ideas they might have should be mentioned at our next meeting. As I've said before, you can never talk too much about safety. Let us make our hobby as safe as possible. If we all work at it, it can be done. Good & safe flying to everyone.
 Gary Eckert
