THE PLANE PROP WASH IS THE OFFICIAL  
 NEWSLETTER OF THE STARS CLUB; & AS  
 SUCH, ALL PROCEEDS FROM ADVERTISE-  
 MENTS, SUBSCRIPTIONS, ETC. GO TO  
 FURTHER ENHANCE THE TREASURY OF THE  
 STARS CLUB. THE PURPOSE OF THE PLANE  
 PROP WASH IS TO KEEP THE MODELERS OF  
 THE STARS CLUB & SUBSCRIBERS AWARE OF  
 HAPPENINGS WHICH INFLUENCE OUR HOBBY.  
 THERE IS NO INTENT TO SHOW FAVORITISM  
 TOWARD ANY CLUB, HOBBY SHOP OR INDI-  
 VIDUAL. WE HOPE YOU ENJOY OUR NEWS-  
 LETTER.

Winter is coming whether we like it  
 or not, and now is the time to start  
 thinking about that new airplane you  
 want to build and have ready for the  
 Symposium. It is going to be a two  
 day event so let's get busy and start  
 building. The end of the year is  
 upon us. Don't forget to renew your  
 AMA license. Also, the club dues are  
 coming up. Make sure you get them to  
 Stan Staniszewski, our treasurer, by  
 the end of the year. With winter  
 coming, everybody should start think-  
 ing about putting skis on an air-  
 plane so they can fly through the  
 winter months. It is a lot of fun  
 and I think everyone would enjoy it.  
 Hope to see all the members at the  
 next meeting. Good and safe flying  
 to everyone.

Gary Eckert

THE FIRST FLIGHT OFF FROM THEIR NEW  
 PAVED RUNWAY WAS 10-15-84...WELL DONE  
 GRENADIERS...THAT'S A MODEL AIRPLANE  
 FIELD!

The meeting was called to order at 8:07pm by President Gary Eckert. Roll call showed 19 Sr. members present. Secretarys report was read and accepted. Treasurer's report was read and accepted. The Association report was given by Lon Sauter. The Symposium is going to be a two day event this year. Our club is going to do the Static Display and Dealer Booths. There is a bus trip for two days on March 16 & 17, 1985 to see the AMA headquarters and the Smithsonian. It will cost \$75 per person, but if we get a full bus it will cost only \$60. Deadline for reservations is February 20, 1985. The sign for the gate is in process. The following members are on the nominating committee:

Gary Eckert, Lon Sauter and Al Mortensen. The club decided to buy a barbacue grill and Coleman stove to use out at the field for our doings. Stan Staniszewski will take care of it. The members voted in a new Sr. member Richard Chiovaro and a new Jr. member Bob Chiovaro. Meeting was adjourned at 8:45pm.

Carol Eckert

Who's been getting their Christmas Presents early? Or would it be easier to ask who hasn't?

Rumor has it that KEVIN JONES found his airplane a little heavy...so Kevin just cut it in half...of course, now it doesn't fly very well...back to the old drawing board!

**AMA DISTRICT II AVP REPORT**

Lon J. Sauter    2062 Rabbit Lane, Phoenix, New York    13135  
phone: (315) 695-2448

First of all I would like to apologize for not writing an AVP article for the past few months. We've been very busy, and there just never seems to be enough time. There will be a number of interesting modeling events coming up, and I would like to encourage all of you to participate or at least attend. The CNYMAA has elected to have a two day Symposium this year, on February 2nd and 3rd. We will need a lot of support from all area modelers. The Association meetings are held every third Thursday of the month at Walt's Hobby & Craft at 7:30pm. Please attend and bring your ideas. Also, the Association is planning to put together a two day bus trip to AMA Headquarters and the Air & Space Museum in Washington. The trip will be on March 16th & 17th, and the cost is \$75 max per person, including hotel room. If enough people are interested, the cost goes as low as \$60 per person. If you're interested, contact Walt Throne, myself, or your Association delegate.

You should be receiving, or have already received your 1985 AMA membership renewal. Please make an effort to mail it in promptly so you don't miss a magazine issue. Next years Nationals will be at Chicopee, Mass. again. I know a lot of you are interested in participating and working at the Nats. I will be passing on information as it becomes available to me. Keep July 27th through August 4th open.

I was given a grand tour of the Grenadiers new flying sight. They have a very nice facility with a paved runway and 90 acres of air space. They are accepting members now. Contact Lloyd Beaubien or Gary Rizzo if you're interested. Until next month, happy building.

Rumor has it that along with their paved runway, the Grenadiers are thinking about putting in runway lights for night flying...they've been using car lights to check it out so far.

Next time that you see Bob Fancher, ask him why they call him "Flutter".
