Association Report: Phil Morgan reported the association AMA affiliation was still pending. Phil stated the slate for new officers had no candidate for president as Art Arro was not running. Phil reported District II sanctions have not been processed so no sanctioned contests in District II this season. Bob Kirschner new District II contest director. Association still contesting add-on state fee for show security.

AMA report: Lon Sauter reported FCC has ruled transmitters manufactured after 3-1-92 must meet gold standards. Present transmitters may be used to 3-1-98.

Field report: Bob Prugger reported 36 yards of crushed rock was spread on the field parking area last Saturday. Thanks to all members who helped shovel & rake the area and a special thanks to John Everson for his help with his bucket equipped tractor. Bob reported topsoil for the field was the next project. It was agreed to plan delivery of topsoil Saturday, 5-11-91, and volunteers would be needed with rakes, shovels & carts to spread the topsoil. Discussion for seeding followed (State Fair mix suggested); Bob Prugger offered to secure seed. Dan Williams volunteered to secure peat moss for covering seeded areas. Bob stated estimate for pavillion renovations were at about \$800. & would be considered at later date.

Safety Officer: Art Rose reminded all fliers to place transmitters in impound and only remove when proper frequency pin is available. Return transmitter & pin to impound after flight.

Flight school: Dave sikorski reported first session on 5-1-91 was cancelled due to weather and was rescheduled for Saturday, 5-4-91. Dave reported 17 students were enrolled and more instructors would be helpful. He suggested other members could help with ground checks and student preparation.

It was suggested to post the schedule in shed at field so interested parties could check the schedule and provide assistance when needed. Doug Harrington questioned non-profit status of CNY association. Phil Morgan stated all association funds were allocated so funds should not remain unspent. Don Utz requested large mower only be used on flying field to save tractor belts; old tractor should be used for rougher areas.

PSST!

It seems the "rule of thumbs" when
flying at the Louray Strip is...one
flight, one crash! Just ask the
Sage's (I and II), Mr. Durgey, and
the ole _____ Dan himself!

Bits & Pieces

Talk about throwing a temper tantrum!
Bob Jenkins Ultimate Bipe threw a
prop, threw a spinner, and threw
itself into the terra firma...ouch!

Hilary Nortz is looking for a test
pilot for his Goldberg Cub...it seems
that tail draggers are not always
popular at the flying field...just
ask Phil!

IF I DIDN'T MAKE MISTAKES, YOU'D HAVE
NOTHING TO TALK ABOUT!

PREZ SEZ

We've had a great month, weatherwise, and I hope everyone got in some flying. The rain finally did come and made our new grass grow, but now it rained too much and the field is a soupy mess. Never a happy medium. Speaking of our new grass, thanks to Bob Prugger and his crew for doing an outstanding job with the top soil. It should be all grown in shortly.

Our Flight School is off to a great start. We have lots of new guys learning to fly. Every flight school night is packed with guys and planes waiting to fly. We've got a pretty good system now, and everyone gets lots of flying done, especially the instructors. There's great cooperation from the club in helping make this a success. Thanks a lot. Remember, this will directly affect the future of the club.

This month we'll be discussing our Airshow coming up in September. I'll have a complete list of tasks and responsibilities, broken down into committees. Many volunteers will be needed, so please consider signing up for something. This is our only real money making event every year, so it's very important. Also, this month we'll be showing some videos, one from the AMA, and one from Dean Monticelli on "Scale Tournament". Very important note: The field combination will be changed on meeting day. Don't forget the new combination! And don't forget Pylon Racing on June 16th. Let's do some Racing!
